Barnebøker 2019

- **“Så mange bøker, så liten tid”**
- Ragnhild, 2019

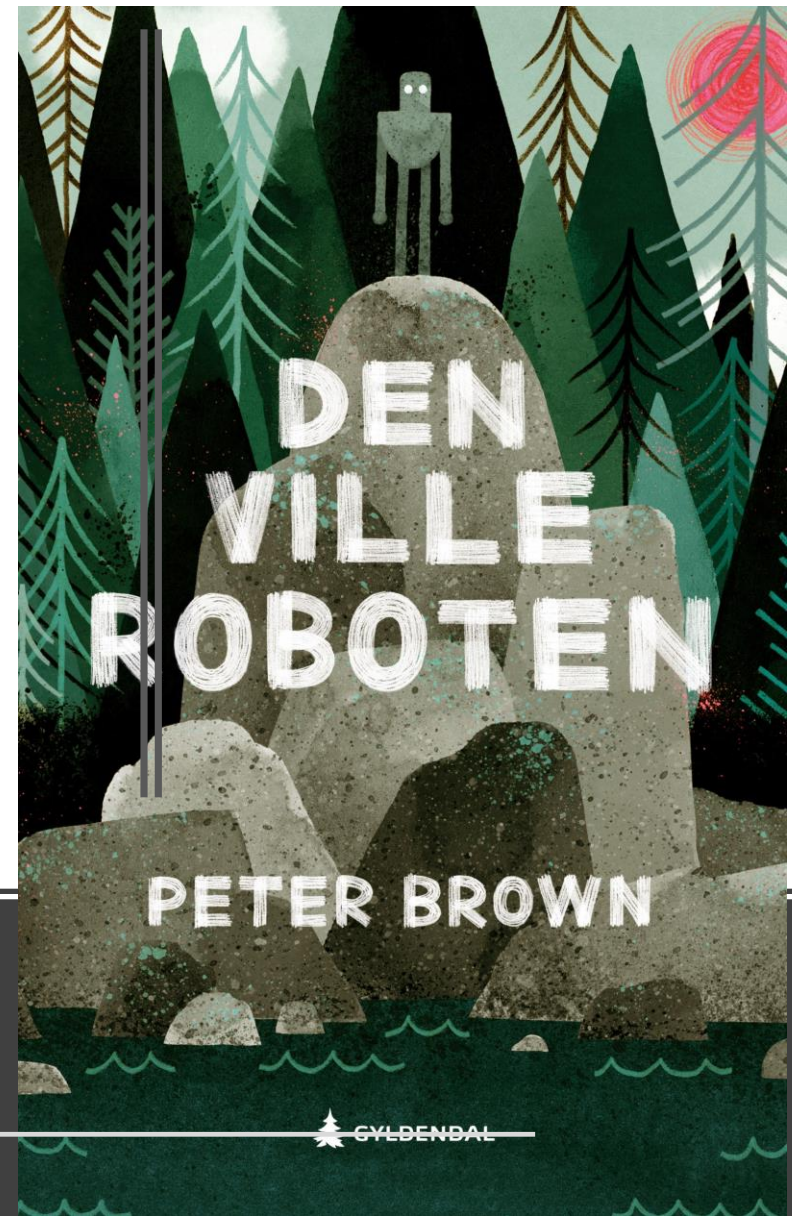

Trender, frender og strøtanker

- De fleste bøker er illustrert, få bare med tekst
- Fortsatt mange serier, mange utgivelser og MANGE forlag
- Dyr og vennskap er viktig i 2019 som det var i 2009, 1999, 1989 etc
- Tegneserieromaner for barn har fått et reall oppsving
- Gode debutanter!
- Mer diversitet
- Lek med eventyr og sjangre
- MYE fabelprosa!
- Lite å lese høyt for de yngre samt rene kjærlighetsbøker
